difference?*

**No more  
surprises.**

The outcome is  
as anticipated.

## SOURCING

We listen. We ask the right questions. We get the factory that you need. A tried-and-true approach to pairing product with factory.

## FACTORY MANAGEMENT

Our hands-on methodical procedure that guarantees quality. A unique offering that makes all the difference.

## QUALITY CONTROL

Auditing, factory communication and timeline control keeps our clients a step ahead.

## ENGINEERING

Our team has the foundational insight necessary to transform ideas from concept to reality.

## COMPLIANCE

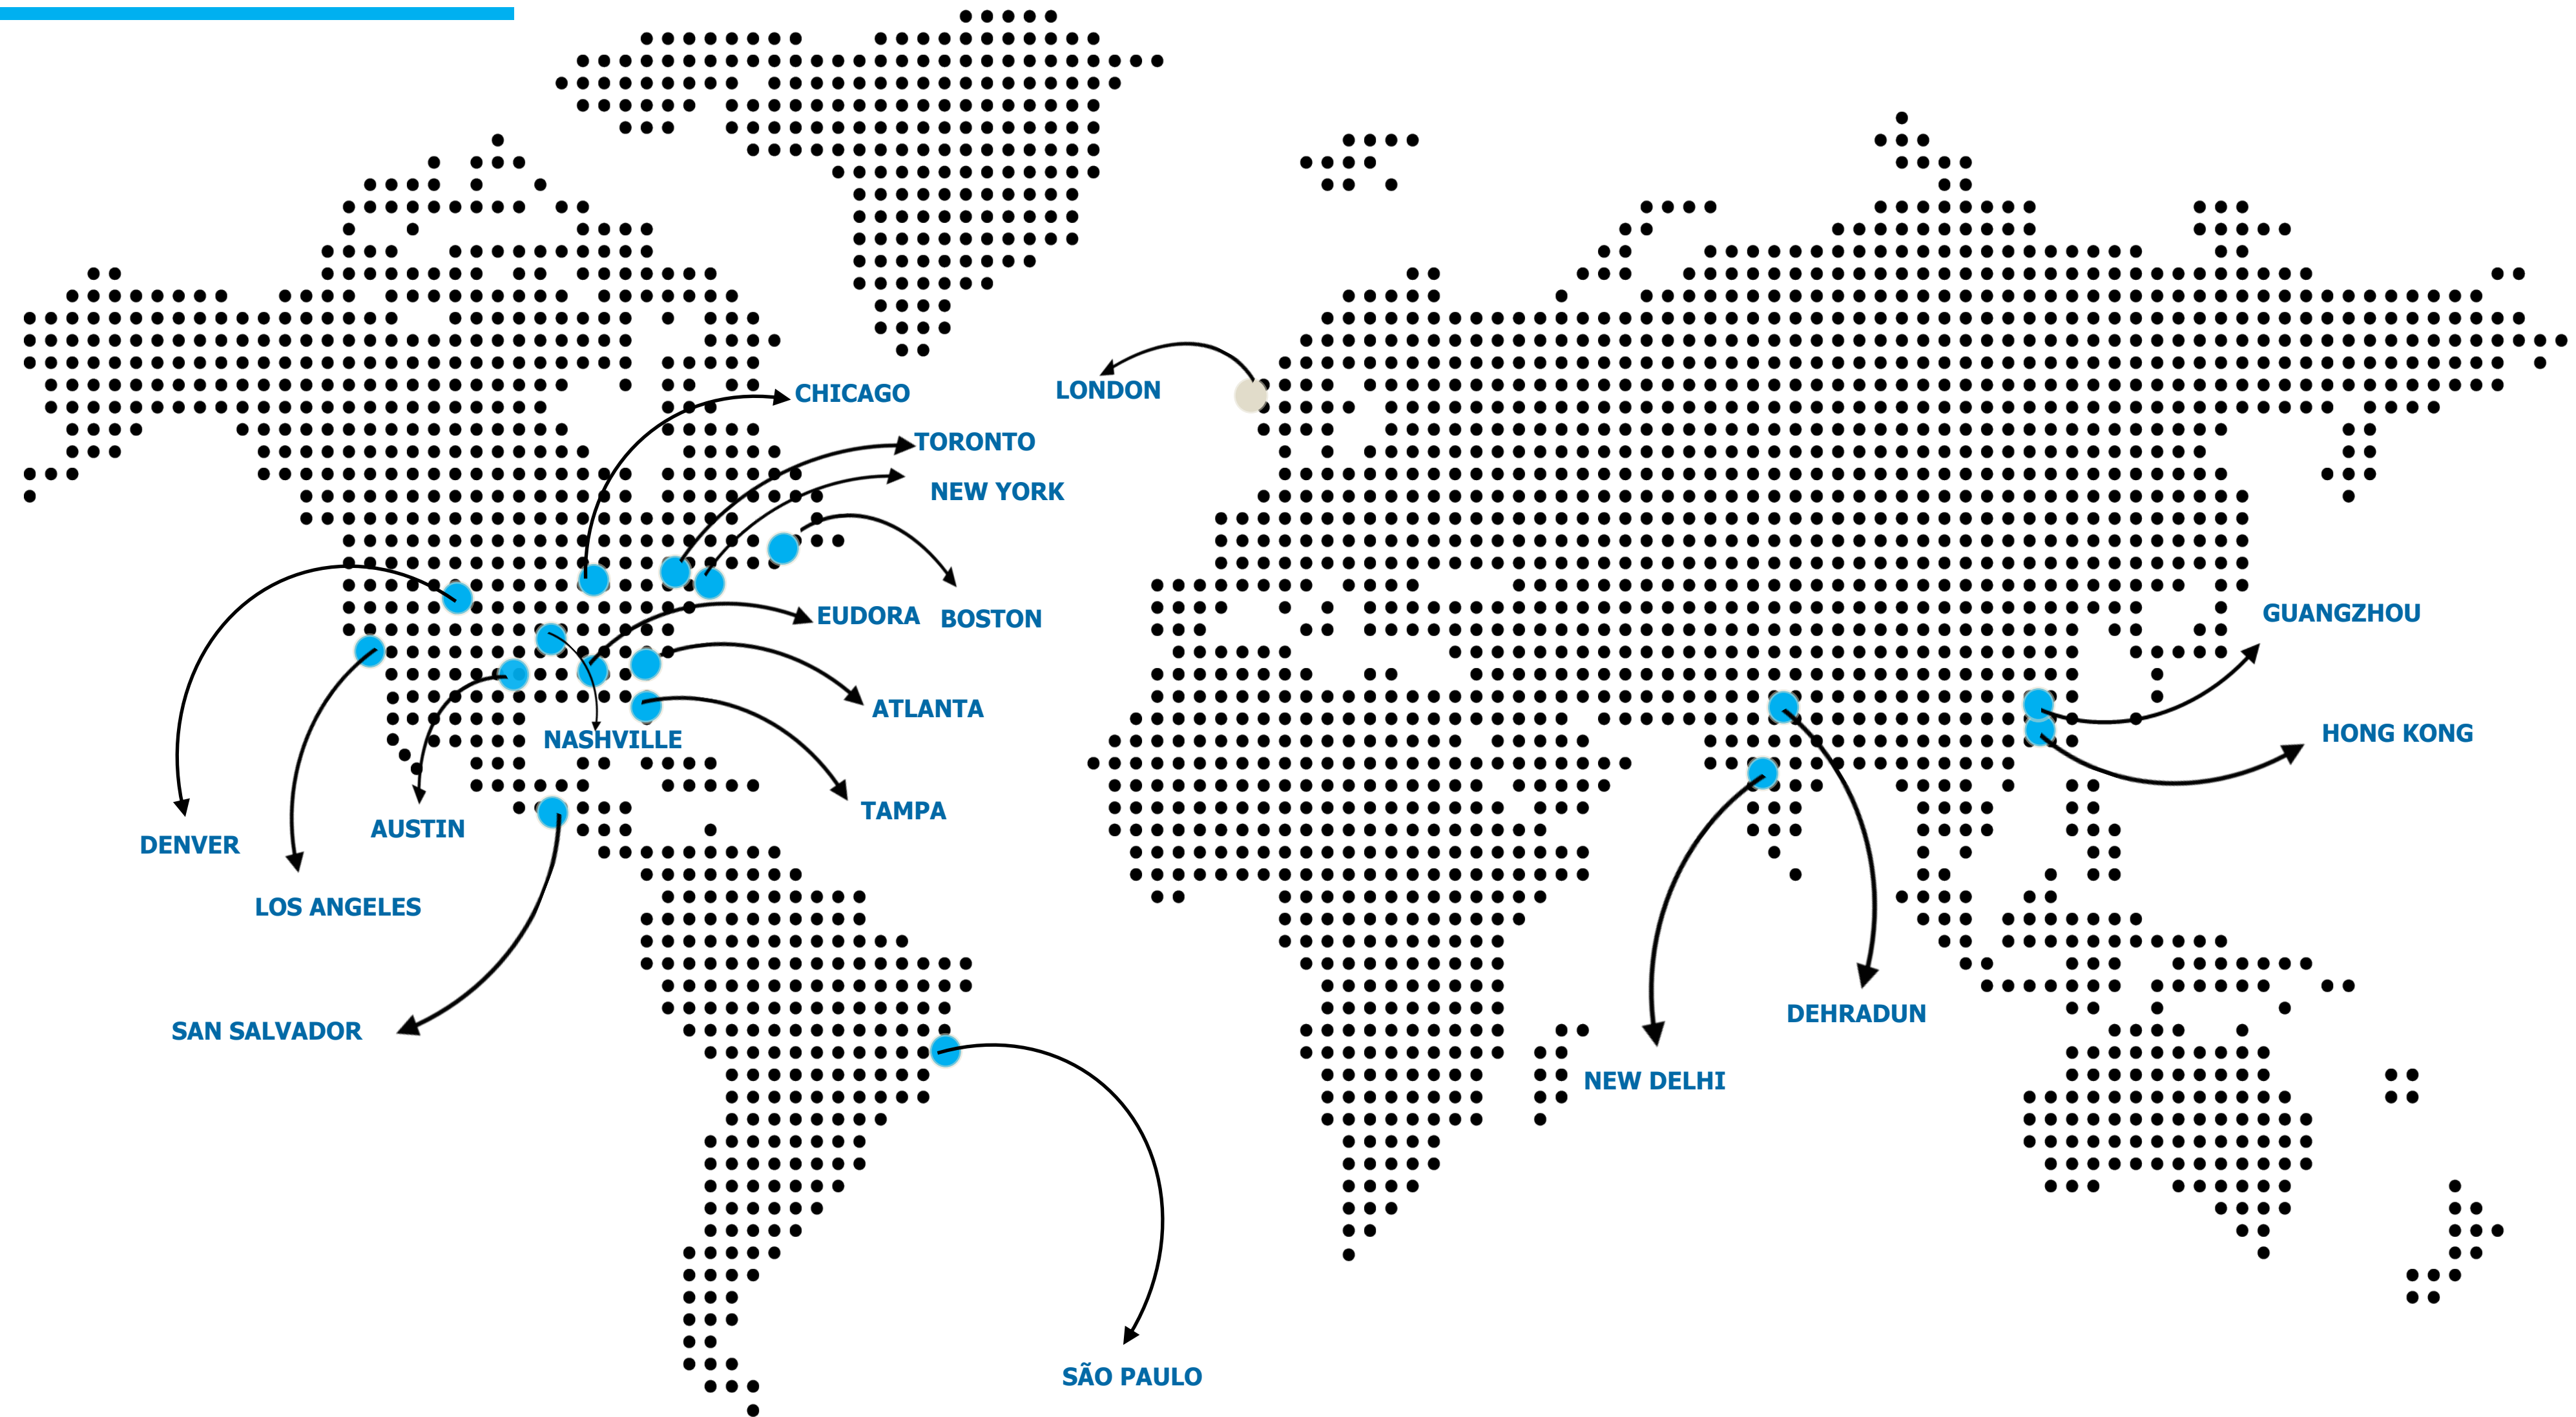

Every order undergoes a risk assessment, regulatory review and quality analysis to ensure every product is safe, compliant and high quality.

## ENVIRONMENTAL COMMITMENT

A focus on sustainability drives the processes and practices across our global operations.
